

## U.S.-China Economic and Security Review Commission

FOR IMMEDIATE RELEASE

July 03, 2013

*The U.S.-China Economic and Security Review Commission was created by Congress to report on the national security implications of the bilateral trade and economic relationship between the United States and the People's Republic of China. For more information, visit [www.uscc.gov](http://www.uscc.gov).*

## - ROUNDTABLE NOTICE -

**U.S.-China Cybersecurity Issues**

**Moderated by:** Commission Chairman William A. Reinsch

**WHAT: Public Roundtable on "U.S.-China Cybersecurity Issues."** The roundtable will identify and explore potential U.S. actions and policies that could prompt Beijing to change its approach to cyberspace and deter future Chinese cyber theft. Members of the audience will be permitted to submit questions in writing to be asked of roundtable participants at the discretion of the Chairman.

**WHEN: Thursday, July 11th, 2013, 9:00 am to 11:00 am.** Reservations are not required to attend – seating is available on a first-come, first-served basis.

**WHERE: SR-328A Russell Senate Office Building,** Constitution Ave. NE, Washington, D.C. 20002

**PANEL INFO:** Participants' bios will be available on the Commission's website at [www.uscc.gov](http://www.uscc.gov) on Thursday, July 11th, 2013.

**ROUNDTABLE PARTICIPANTS:**

- **Dr. Catherine Lotrionte**, Director of Georgetown University's Institute for Law, Science and Global Security and Director of Georgetown University's Cybersecurity Project. Dr. Lotrionte previously served as assistant general counsel at the Central Intelligence Agency and Counsel to the President's Foreign Intelligence Advisory Board.
- **Mr. Bruce Quinn**, Rockwell Automation's Vice President for Government Relations and former Chief Representative of Rockwell Automation in China.

- **Mr. Roy Kamphausen**, Senior Advisor for Political and Security Affairs at the National Bureau of Asian Research and Deputy Executive Director for the Commission on the Theft of American Intellectual Property.
- **Dr. James Mulvenon**, Vice President, Intelligence Division, Defense Group Inc.

**ROUNDTABLE FORMAT:**

Chairman William Reinsch will initially request participants respond to several key questions before facilitating a full discussion with Commissioners. These questions will include:

- How should the U.S. government respond to past and ongoing Chinese cyber theft?
- What are the key roadblocks to developing effective U.S. cyber policy and how can they be overcome?
- What should be on the agenda for future U.S.-China cyber security talks?

- END -

*Visit the USCC website, [www.uscc.gov](http://www.uscc.gov), for transcripts of previous hearings, commissioned research reports, the Commission's annual reports to the Congress, and other information about the Commission's activities.*
